Teresa,

It was an absolute pleasure to work with you over this past year. Aside from your delightful personality and excellent communication skills, your efficiency and attention to detail is some of the best I've dealt with in the industry. Whatever your next move may be, they are lucky to have you.

Best,

Teresa, we may not tell you enough, but thank you for what you do for all of us. You are such an important part of our success and the success of the tea party movement and it was a miracle that you dropped in our lap when you did. You are a rare person that can be counted on to do things without being babysat.

Thanks for all your hard work.
